

MALPANI & COMPANY

Let's Grow Together!

MANUFACTURER & TRADING HOUSE FOR IRON & STEEL PRODUCTS

ABOUT US

Established in 1998, '**Malpani & Company**' has been serving the Steel Industry with utmost integration from over two decades. Situated in the financial capital of India - Mumbai, the Company has the proximity to the largest port in the country. Efficacious and innovative technology along with the best production process are 2 key factors important for ensuring high quality wires and fasteners.

When the right people, updated technology and hunger for innovation meet, transformation happens and leaders are created. Malpani & Company believes in this philosophy and has surfaced as a leading manufacturing and trading company in Steel Products. Our strength lies in the sheer brilliance of our technology and knowledge to allow for our products to undergo extreme customization to match exact specifications of our customers.

We pursue high quality standards in our products and services. Striving for increasingly better quality is an essential part of our company's life, viewed in relation to productive excellence, customer satisfaction and safety.

Malpani & Company is capable of providing complete range of steel solution with philosophy of Source, Supply and Service. The foundation of our business heritage continues to be based on quality, customer service and performance. We strongly believe that by consistently serving the needs of our customers, we will emerge from being reliable suppliers to partners in progress.
